Celebrating our 40th year of Super Sunday Bingo at St. Louis School

The St. Louis Bingo program is proud of the past 40 years supporting the children and parents of our school. We are equally grateful for all the players who have joined us throughout the years in helping to support our students, faculty, and families. Whether this is your first time, or you are a regular player, we thank you and wish you luck, but most importantly we hope you enjoy yourself.
